I am currently working full-time remote / hybrid for a Scientific Digital Healthcare and Communications company as the Head of Design in Oxford.

I am open to future opportunities and I am looking for a new and exciting challenge.

After successfully working as a Creative Graphic Designer for B2B companies and freelance projects for many years.

I am looking for a permanent role which is flexible within the local area. I am open to full and part-time positions.

I have experience in a variety of areas both in print, digital, and online website design. Having accomplished many technical abilities and varied software applications.

I am a confident personality, organised and can work with speed and accuracy. Excellent communication skills, and the ability to meet tight deadlines.

Please keep my details on file for any suitable opportunities. I look forward to hearing from you. Thank you for your time.
