PROFILE

Senior Creative Designer - Visual Communications

I am looking for future opportunities with a new and exciting challenge, hybrid / remote.

Currently, I am working a contract for Swindon Borough Council as the Senior Graphic Designer.

After successfully working as a Creative Designer for B2B companies and freelance projects for many years.

I have experience in a variety of areas, both in print, digital, and website design. Having accomplished many technical abilities and varied software applications.

I am a confident, organised personality, working with speed and accuracy. I have excellent project management / communication skills with the ability to meet tight deadlines.

Please keep my details on file.
I look forward to hearing from you.
Thank you for your time.
